Introduction

Prep-VI is the third level/step of IQRA Education System. This is the very reason that it has been established in every notable branch. Due to its course and qualities, it is unique and consistent that's why presentation of this department in detail is as follows:

Prep-VI is a distinguishing department; functioning under the supervision of IQRA Rauzatul Atfal Trust; catering modern contemporary education to the students after completing Hifz-e-Qura'an. This department not only ensures education of basic subjects viz; Urdu, English, Maths and Science but also facilitates revision and consistency of Hifz-e-Qura'an in a way to enable students for seeking regular admission in Grade-VI.

This syllabus has been successfully implemented in our branches across the country. Every cognisant and mindful individual admires the success of the peerless department.

Basic Objectives

The First Objective:

Thorough Revision of Hifz

In the unique department of Iqra Huffaz Secondary School i.e. Preparatory VI class (PVI) since only Huffaz Students are admitted here, thus Hifz-e-Quran is the most vital subject. Consequently, the first and foremost objective is to revise and retain Hifz-e-Quran and ensure that students have command over memorization of the holy book along with the continuation of the Qur'anic study, Ilm-ul-Tajweed and Masnoon Duas.

The Second Objective:

Contemporary Education

Students are instructed contemporary primary subjects i.e. English, Mathematics, Science Computer Studies, Drawing, Urdu and Islamiat, and are enabled and eligible to be admitted into 6th Grade of Iqra Huffaz Secondary School.

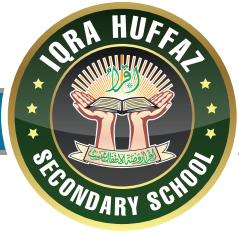

In order to achieve both the objectives, the total instructional time of Preparatory VI is divided into two parts;

1. The one half of the daily total instructional time is allocated to the first objective, Hifz-e-Qur'an.
2. The other half is allocated to the academic education.

The Third Objective:

Moral Grooming

Grooming students to spend their lives according to the Islamic teachings is the third fundamental objective behind establishing Iqra Huffaz School.

IQRA RAUZATUL ATFAL TRUST PAKISTAN

System of Education Examination and Assessments

Academic Year & Examinations

The academic year begins immediately after the successful completion of Hifz-e- Qur'an. The academic year consists of approximately 12 months. Students admitted in Preparatory VI are assessed on regular basis. The academic year is comprised of two terms.

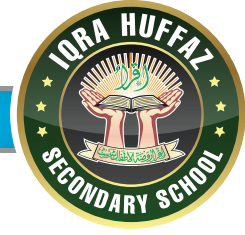

Each term consists of one 'Mid Term Test', while First Term Examination and Second Term Examination are conducted at the completion of each term. Overall result is calculated on the total of both terms.

The criterion to be eligible to appear in examinations is minimum 90% attendance, anyone failing to fulfil this requirement will not be allowed to participate in exams.

Criterion of Promotion into next Class

Student must obtain minimum 50% marks in all subjects to be promoted to class VI.

Assessment and Promotion in Hifz

Hifz is assessed on monthly basis. Each term consists of five assessments and each assessment carries 20 marks.

These assessments are added to school records. In case, student obtains less than 75% marks in monthly assessments, the parents are invited to discuss their child's weakness and solution toward betterment of Hifz-e-Qur'an.

As the successful completion of Hifz is essential to get admission in Iqra Huffaz School, the student must also obtain minimum 75% marks in monthly assessments, otherwise he/she is not considered Hafiz/Hafiza thus not deemed eligible to continue contemporary education in school too (Even if he/she may have obtained more than 50% marks in contemporary subjects, Iqra Huffaz School is only for Huffaz).

However, it ought to be pointed out that the marks are not included in the overall percentage and grade.

Criterion of Promotion in Individual Subjects

A student must obtain minimum 50% marks in every contemporary subject to pass otherwise he/she is considered failed in that subject.

Determination of Position (Rank)

In case, a student fails in one or more contemporary subject(s), he/she is not assigned rank in the result and may appear in examination.
